Dear Vicki and Jim,

I just got home from playing bridge so will write to you now. Our summer weather is back again after a week of rain.

We had a good time at the cabin. Cully and Gillian stopped by for awhile and Gail was up, Ruthie & Joel and Jannie and Art and Marge Jewett and children.

Mike moved some of their furniture over to their apartment this week and but they still have a lot to do. Mary is over to the apartment now getting things in order as much as possible as they are having a meeting there tonight. They will be staying with us for awhile longer.

Gail seems to have lost her spark but she is dating so she will probably be alright and she is busy at the Holiday Inn. This Thursday Gregg will be leaving for Anchorage. He called Jannie and talked to her.

10.00 P.M.

Mary just came home and she likes her opt. This picture is nice of both of them, isn't it? I straightened up the amusement room this afternoon so Dad and I watched colored television down there tonight.

It was nice to hear from you and we are thinking about this summer. Bridge again tomorrow.
Love, Mom.
